AIXINDA ELECTRONICS

Guangzhou AXD Electronic Co.,Ltd.

Aixinda is a health technology enterprise specializing in the research, development, production, sales and service of medical device products. Since the 10th five-year Plan, Aixinda has persisted in taking science and technology as the "core", introduced advanced medical technology achievements from Germany and Japan, and continued to provide customers with OEM/ODM products with excellent quality and leading performance-to-price ratio in strict accordance with NMPA and ISO standards. It has become an important manufacturer of electronic medical devices such as medical compression atomizer, electronic sphygmomanometer, medical infrared thermometer, electronic thermometer and so on. It has won the titles of "Independent Innovation Advanced Enterprise", "High-tech Enterprise" and "contract-abiding and Credit-honoring Enterprise". It is the core supplier of many brand enterprises. Aixinda always adheres to the development concept of "harmony and access to the world", continues to promote the perfect combination of Seiko manufacturing and health science and technology, relies on the best products and services, and works hand in hand with friends from all walks of life to create the future.

Automatic upper arm blood pressure monitor

MODEL AXD-801

- I-B indicator • WHO indicator • Year/month/date function
 - OPTIONAL • Backlight: Green/Orange/Blue • Talking
-

MODEL AXD-802

- I-B indicator • WHO indicator • Year/month/date function
 - OPTIONAL • Backlight: Green/Orange/Blue • Talking
-

MODEL AXD-807

- I-B indicator • WHO indicator • Year/month/date function
 - OPTIONAL • Backlight: Green/Orange/Blue • Talking
-

MODEL AXD-811

- I-B indicator • WHO indicator • Year/month/date function
 - OPTIONAL • Backlight: Green/Orange/Blue • Talking
-

MODEL AXD-814

- I-B indicator • WHO indicator • Year/month/date function
 - OPTIONAL • Backlight: Green/Orange/Blue • Talking
-

MODEL AXD-817

- I-B indicator • WHO indicator • Year/month/date function
 - OPTIONAL • Backlight: Green/Orange/Blue • Talking
-

MODEL AXD-818

- I-B indicator • WHO indicator • Year/month/date function
 - OPTIONAL • Backlight: Green/Orange/Blue • Talking
-

MODEL AXD-826

- I-B indicator • WHO indicator • Year/month/date function
 - OPTIONAL • Backlight: Green/Orange/Blue • Talking
-

MODEL AXD-829

- I-B indicator • WHO indicator • Year/month/date function
 - OPTIONAL • Backlight: Green/Orange/Blue • Talking
-

MODEL AXD-831

- I-B indicator • WHO indicator • Year/month/date function
 - OPTIONAL • Backlight: Green/Orange/Blue • Talking
-

MODEL AXD-832

- I-B indicator • WHO indicator • Year/month/date function
 - OPTIONAL • Backlight: Green/Orange/Blue • Talking
-

MODEL AXD-833

- I-B indicator • WHO indicator • Year/month/date function
 - OPTIONAL • Backlight: Green/Orange/Blue • Talking
-

MODEL AXD-834

• I-BE indicator • WHO indicator • Year/month/date function
 OPTIONAL • Automatic power-off function • Talking

MODEL AXD-835

• I-BE indicator • WHO indicator • Year/month/date function
 OPTIONAL • Backlight Green/Orange/Blue • Talking

MODEL AXD-837

• I-BE indicator • WHO indicator • Year/month/date function
 OPTIONAL • Automatic power-off function • Talking

Automatic wrist blood pressure monitor

MODEL AXD-602

• I-BE indicator • WHO indicator • Year/month/date function
 OPTIONAL • Automatic power-off function • Talking

MODEL AXD-604

• I-BE indicator • WHO indicator • Year/month/date function
 OPTIONAL • Automatic power-off function • Talking

MODEL AXD-606

• I-BE indicator • WHO indicator • Year/month/date function
 OPTIONAL • Automatic power-off function • Talking

MODEL AXD-608

• I-BE indicator • WHO indicator • Year/month/date function
 OPTIONAL • Automatic power-off function • Talking

MODEL AXD-609

• I-BE indicator • WHO indicator • Year/month/date function
 OPTIONAL • Automatic power-off function • Talking

Medical digital thermometer

MODEL AXD-201

• 60s measurement • Transparent case • Fever alarm

MODEL AXD-202

• 60s measurement • Transparent case • Fever alarm

MODEL AXD-203

• 60s measurement • Transparent case • Fever alarm

Medical compressor nebulizer

MODEL AXD-301

Low noise Small atomized particles Easily absorbed in the affected area

MODEL AXD-302

Low noise Small atomized particles Easily absorbed in the affected area

MODEL AXD-303

Low noise Small atomized particles Easily absorbed in the affected area

MODEL AXD-304B

Low noise Small atomized particles Easily absorbed in the affected area

MODEL AXD-305

Low noise Small atomized particles Easily absorbed in the affected area

MODEL AXD-306

Low noise Small atomized particles Easily absorbed in the affected area

MODEL AXD-307

Low noise Small atomized particles Easily absorbed in the affected area

MODEL AXD-308

Low noise Small atomized particles Easily absorbed in the affected area
